

Welcome

Welcome to the mybcmea.com web based Plugin system.

mybcmea.com Despatch Information area has been enhanced to include a "Plugin" area. If you are on the Squamish, Checkers or First Aid telephone boards you will be able to Plugin easily and quickly through the mybcmea.com Plugin pages.

Please use the help index on the left hand side of the screen to navigate through the Plugin help pages to learn how easy the Plugin process really is.

To see what new features and web site enhancements will be available in the near future, check the "Site Status Update" link under Quick Links available within the "Despatch Information" section of mybcmea.com.

The Current despatch information is real time. This information may change so please check your work status frequently!

Should you require further assistance, you may contact the mybcmea.com technical support line at (604) 694-2307 or use the "contact us" link to send us your comments and/or feedbacks.

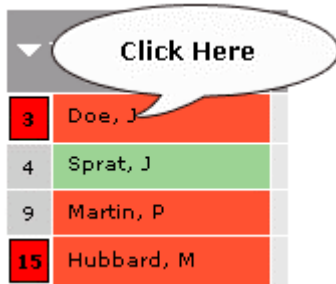

We would like to hear from you.

Getting Started

mybcmea.com allows longshore employees on the telephone boards (Squamish, First Aid, Checkers) to Plugin via the web.

Employees on the telephone boards may enter the Plugin area by clicking on the plate for each board that they are member of.

Find your board and plate and click on your name to bring up the new Plugin window.

Once you click on your plate, you will see the Plugin window pop open, defaulting to the same shift that you were looking at on the board.

Frequently Asked Questions

I Plugged in. How come the board does not reflect it right away?

Sometimes the board view may take several minutes to refresh, please be patient as the system refreshes the data. Always review your plugin receipt to ensure that your changes have been made.

Can I Plugin for a Toggle without plugging in for shifts?

Yes. Lines, Vancouver Availability, and 28 Day Replacements do not require you to Plugin for any shift. Please review the "How to change Plugin Toggles" section for further detailed explanation.

Why are the Plugin Toggles not offered for certain shifts?

Select any shift that is within the expiry period of the toggle you wish to change. Please review the "How to change Plugin Toggles" section for further detailed explanation.

Where can I view and/or accept my despatched positions?

mybcmea.com allows employees on the telephone boards to confirm the acceptance of their despatched job in the "Current Despatch" section under "Despatch Information". Please review the "How do I Accept My Despatched Job" section for further detailed explanation.

Do I need to print my receipts?

Yes, we recommend that you print and keep your receipts. These become an **official record** of your plugin.
