

User Modification Status Update

This document will act as the communication vehicle in order for Users of the BCMEA Longshore Employees Website to track the progress of agreed to changes currently in progress.

When you see that the status of a change request is "Pending next Implementation" please refer to the date shown below.

Next Scheduled Implementation Date: To be Announced

Special Note:

If you would like to suggest any changes to the system or notify us of any outstanding issues or bugs that are not on this list please use the "Contact" link at the bottom of the screen.

Change Request: **NEW Site Enhancement Page**

A new "Site Enhancements" page is being added to allow better and more detailed descriptions of upcoming changes to the website. This new page can be found on the main www.bcmea.com homepage in the "News – Inside the BCMEA – Site Enhancements" section.

Submitted By: BCMEA/WEBC Staff (various)

Status: **Completed and Implemented**

Change Request: **NEW Content Management Facility**

The addition of the new Content Management System will allow BCMEA staff and other approved people to update the Latest Info., Features, and News areas of the main website.
